Class Descriptions

Abs: 15 minutes of challenging abdominal & back exercises.

Boot Camp: Get ready for the ultimate total body workout! A class to improve your strength, agility and cardiovascular fitness. This class uses interval training techniques with different exercise stations challenging all of the major muscle groups.

Cardio & Abs: This class incorporates cardio and abdominal exercises to burn maximum calories, improve endurance and increase core strength!

HIIT: Short for High Intensity Interval Training, this type of training is very effective. It uses short bursts of fast repetitions to keep the heart rate elevated through the entire class, while also incorporating strength, as well.

Meditation: Instructor led class will de stress and unclog your mind through various forms of meditation.

Pilates Reformer: A class designed to transform the way your body looks, feels, and performs. It is gentle on the body, making it one of the safest most effective ways to exercise. ***certain restrictions apply, see club for details.**

Power Pump: A group barbell class that focuses on muscular strength & endurance.

Power Yoga: A fluid, powerful, style of yoga that links movement and breath together.

TriPlane Pilates: A functional approach to performing exercises in all three planes of motion to lengthen and strengthen muscles.

Yoga (Ashtanga Style): Learn dynamic breathing, focus and a flowing progression of postures that balance the body with strength, stamina and flexibility.

Yoga (Vinyasa Flow): A blend of relaxation, flexibility & strength exercises.

Yoga (Hatha Style): Guided relaxation and flexibility exercises to soothe and energize body, mind and spirit.

Class and instructors are subject to change we will do our best to communicate any changes in a timely manner. Please contact the fitness center with any questions.
