Class Descriptions

Abs: Challenging core (abdominal, lower back, obliques) strengthening exercises.

CORE: Transform and sculpt your core with Pilates and Barre-inspired exercises.

Indoor Cycling: You will burn a ton of calories, get lean, increase lower-body strength and improve your cardiovascular endurance. Aerobic endurance intervals, hills, strength and speed play.

Kickboxing: An intense cardio class packed with jabs punches and kicks.

Medititation: This class will de stress and unclog your mind through various forms of meditation

Pilates Reformer: a class designed to transform the way your body looks, feels, and performs. It is gentle on the body, making it one of the safest most effective ways to exercise. ***certain restrictions apply, see club for details.**

Power Pump: A class designed for use with a barbell that focuses on muscular strength & endurance.

RIPPED: Resistance and cardio training combining intervals, power and plyometrics

Yoga (Ashtanga Style): Learn dynamic breathing, focus and a flowing progression of postures that balance the body with strength, stamina and flexibility.

Yoga(Mixed Levels): Class designed with basics & more challenging poses for beginner through intermediate students. Style is a mixture of Anusara, Ashtanga and Satchidananda approaches with some breathing & restorative practices.

Yoga (Vinyasa Flow): A blend of relaxation, flexibility & strength exercises.

Class and instructors are subject to change we will do our best to communicate any changes in a timely manner. Please contact the fitness center with any questions.
